RE: REPUBLICAN PARTY OF HAWAII
NOTICE DATE: FEBRUARY 14, 2000
EIN: 99-0062664 FORM 8871

Dear Sirs:

Enclosed is a copy of IRS Form 8871, Political Organization Notice of Section 527 Status, for the Republican Party of Hawaii. Although our organization is required to report under the Federal Election Campaign Act, we are submitting this form to ensure that we are in complete compliance with the provisions of the new law.

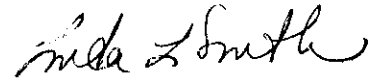

We are seeking the guidance of the IRS in regard to the reporting responsibilities of committees established solely for the purpose of assisting candidates running for State and local office. A review of the statute indicates that the Congressional intent was to capture information for Federal level activities. However, the instructions accompanying Form 8871 indicate that an organization that reasonably expects its annual gross receipts to be more than \$25,000 should file a registration report.

Most of our committees formed to assist State and local candidates have been recently established with volunteer labor only. Most do not currently anticipate revenues exceeding \$25,000. However, it is difficult for us to determine at this time which, if any, may exceed the \$25,000 reporting threshold. Furthermore it is anticipated that most of these committees will disband prior to the end of the calendar/tax year and will not continue into 2001.

We are therefore seeking IRS guidance as to the applicability of Form 8871 to these types of temporary, local political organizations. Your earliest possible guidance on this matter would be appreciated.

Should you have questions on the enclosed form,
please feel free to contact me at 808-682-2038.

Sincerely,

A handwritten signature in cursive script, reading "Linda L. Smith". The signature is written in black ink and is positioned above the printed name and title.
